MESSAGE FROM THE BOARD PRESIDENT

During these past months, camp has been a hive of activities. The cabin is nearing completion, with the appliances delivered and installed in late June. We can't wait for you to check it out! Gravel has been delivered to the new driveway, and soon the well goes in!

We've had a host of fun things from 3-D archery, fishing, kayaking, and camping available. We hope to see you at camp for some relaxation and fun over the months ahead. The campground has 15 electric spots and the bath house has showers and flush toilets The fire ring sports a new woodshed and comfy visiting around the fire at night. The shelter provides a nice spot to picnic and the playground is a great spot for children.

This month we start registration for the fall hunts! Get those applications in right away! There is no charge this year, but there is a required deposit. That's why our sponsors are so needed! Will you consider being a hunt sponsor?

We thank our many volunteers and those who generously give of their time talents and resources to make camp a great place! Come be part of this great team!

NEW FISH IN THE POND!

Special thanks to Jack Gunderson and his granddaughter, Aubrey Gunderson who delivered three 55-gallon barrels full of fish to stock the fishing pond earlier in May. Jack and his family caught the fish individually at a stock farm earlier this spring, and delivered them to Camp Victory Inc. There are now over 200 fish in the pond ready to enjoy. Thank you to the Gunderson family!

ARCHERY LANES OPEN!

Camp Victory Inc has 3-D archery targets throughout a trail loop. The archery lanes are host to many woodland creatures as well as some fun targets, like Big Foot and a dinosaur. These targets are easy to find and walkable from the main parking area at camp. The lanes are brushed out, so targets can be spotted from the trail.

Come and enjoy the archery range and practice your skills at various sized 3-D targets. If you just want to practice honing your accuracy, the range is open as well.

Bows and target bolts are available for check out. Simply call to let us know you are coming, or email director@campvictoryinc.org.

AX THROW TARGETS & MORE NOW AVAILABLE

Camp Victory Inc has two outdoor ax throw targets available for use. These two targets can be found by walking past the main lodge toward the pond. Rules are posted on the posts near the targets.

Axes must be checked out at the lodge and returned when the activity is over. Once you are finished with the ax throw you might try fishing at the pond. Thanks to generous sponsors we have a fully stocked pond. There are fishing poles available for use as well. Or grab a kayak and paddle around for a bit of enjoyment. Hike around and check out the colorful rocks on the trails.

There's always something fun to do at Camp. Of course, hanging around a campfire is always good too. Hope to see you soon enjoying the outdoors.
